Sarah
Awestruck
Rainbows
1 Story: "...A giant double rainbow stretched across the whole sky. It shimmered and shined. Bella, Max, and Pip opened their eyes wide. Their mouths dropped open. They did not move. They just stared and whispered, "Wow..." They felt awestruck..."
2 Interactions: <interaction vocab="" role="story-perception"> Sarah, did you like the story? </interaction> <interaction vocab="awestruck" role="story-recall"> What did Bella, Max, and Pip do when they felt awestruck?</interaction> <interaction vocab="awestruck" role="vocabulary-practice"> Sarah, can you show me a face you make when you feel awestruck?</interaction>
3 Palette: a vibrant Sky Blue (#67C8FF) for the eyes to evoke the wonder and expansiveness of the sky and Lila's presence. The mouth turns a cheerful Sunset Pink (#FF8B94) to represent Lila's joy and the beauty of rainbows. The face background changes to... dramatic Stormy Gray (#999999) during emotional or tense moments, reinforcing the narrative journey from gray skies to dazzling rainbows.
Cues: [..., mouths dropped open (emotion cue), awestruck (emotion cue)...]
Body motifs: [..., Dazzling Display - As the double rainbow stretches across the sky, the head slowly tilts upward, and both arms sweep wide open to 90°... The base performs a gentle 30° turn from left to right, symbolizing ...]
Facial motifs: [..., Awestruck Gaze - When describing the feeling of awe associated with the rainbow, the eyes turn to a vivid Sky Blue (#67C8FF) and enlarge by 130% for a wide-eyed look of amazement, the lower eyelids raise by 10% laterally ... The mouth opens slightly, stretching into a gentle, surprised 'O' to emphasize ...]
