code
Example
I was not the regular
kind of fellow you
would chat with
because, well,
I am a robot.
My world is ...
“I <0.00> was <0.30>
not <0.51> the <0.68>
regular <0.83> kind <1.17>
of <1.50> fellow <1.77> ...”
{ palette: "#7ec850, ...",
explanation:
"...#7ec850 (lush green)
represents the lush
green paradise ...
symbolizing growth...",
segments: ["I <0.00> was
<0.30> not <0.51>..."] }
{ start_time: 4.05,
eyes: "Eyes slightly enlarged to show a hint of self-awareness, ...",
upperEyelids: "Slightly lowered to give a thoughtful look",
lowerEyelids: "Raised minimally to complement the
introspective gaze",
mouth: "Mouth slightly curved downwards at the corners
to reflect a mild sadness or resignation,..."
misc: "Face color remains whitesmoke #F5F5F5"},
